(Tentatively lobbying against HB1116, HB1142 and HB1287)

9:30 a.m. - Prayer Time for our Legislators

10:00 a.m. to noon Visit Legislator's Offices

Does lobbying intimidate you? It shouldn't. Why? We make it both comfortable and easy.

On the state level, the legislators are very accessible; sometimes you will talk with an aide and other times, you can actually talk to the legislator. Everyone is divided into teams; if you are new, you would be placed with a group or individual that is experienced. You can chose to talk if you feel comfortable, or you can simply pray.

Some folks that have lobbied with us several times continually come to be the prayer support. We cannot be more thankful for these individuals. The group is briefed and given information about the issue before heading out to lobby. Give it a try!
