Dear Ms. Rios and Ms. LaRue:

On May 5, 2003, I received your letter about obscenity on the internet. I also recently received correspondence from MIM, the organization you mentioned in your letter.

I have asked one of our Assistant United States Attorneys to review all of the information provided to us on this matter. She is an expert in computer crimes as well as child pornography issues.

At this time, we cannot provide the specific information you requested about the status of the complaints recently referred to our office. Feel free to contact us later about the progress made and we will try to oblige your request.

Thank you for taking the time to write and for your interest.

Sincerely,

Monica Wheatley  
Acting United States Attorney  
Western District of Kentucky
