

White Ribbon Against Pornography (WRAP) Week

WRAP

Oct. 25 - Nov. 1, 2009

“Create in
me a clean
heart...”
—Psalm 51:10

IAST
Initiative Against Sexual Trafficking

DOING
THE MOST
GOOD™

The White Ribbon Against Pornography (WRAP) Week is intended to educate the public about the extent of our culture's pornography problem. WRAP week creates a useful opportunity for clergy to raise the issue of pornography within the Church, and to call all Christians to renewed lives of sexual purity.

10 ways you can help raise awareness about the devastating influences of pornography during WRAP week and throughout the year:

1. Wear a white ribbon (available from www.wrapfamily.com)
2. Deliver a sermon about God's call for Christians to be sexually pure
3. Share a list of resources about sexual addiction treatment services available in your community
4. Show a film and host a discussion about pornography's impact on individuals and society
5. Organize both men's and women's retreats on the subjects of pornography and sexuality
6. Inform your community by organizing a public event featuring an expert on pornography's harms
7. Ask city, county and state legislators to curb "sexually oriented businesses"
8. Add links to your organization's website of organization and ministries providing resources to persons struggling with pornography
9. Politely make complaints to business that distribute or advertize pornography and obscene material
10. Join the movement to pray and fast that God would free those caught in the spiritual bondage of sexual addiction and sexual sin
