

Dear CWA Friends,

The 2014 South Dakota Legislative Session begins Tuesday, January 14. During this 38-day session, we urge all members to participate as grassroots activists by praying and taking action when called upon by CWA of South Dakota.

It is imperative that your state representatives hear from you concerning CWA-supported pro-family, pro-life bills. Even more crucial is your help to defeat dangerous, anti-family legislation that CWA opposes.

I will alert you via e-mail regarding these bills and ask you to contact your one senator or two representatives after praying about the bill. For greater impact, please check your e-mails often and feel free to share these alerts with others.

If you do not know the names of your one senator and two representatives, [click here](#) or phone the auditor at your county courthouse.

As volunteers, Legislative Liaison Cindy Flakoll and I will be representing you in Pierre and promoting CWA's issues. The core issues of Concerned Women for America are:

- ✓ Definition of the Family
- ✓ Sanctity of Life
- ✓ Education
- ✓ Sexual Exploitation
- ✓ Religious Liberty
- ✓ National Sovereignty
- ✓ Support for Israel

We covet your prayers for our protection, health, wisdom, and guidance.

Asking God's blessing upon you for your faithfulness in prayer and action,

Linda Schauer

State Director
