

# The Road Back to Local Control

**Wednesday, July 30**

6:30 p.m. to 8:30 p.m.

Wentzville Police Department  
1019 Schroeder Creek Boulevard  
Wentzville, MO 63385

## **Common Core - where are we now in Missouri?**

**HB1490** was passed by the Missouri General Assembly and signed into law by Gov. Nixon. That bill basically does away with "Common Core State Standards" in Missouri and allows Missouri to develop its own standards.

What does that mean? Anne Gassel, Missouri Coalition Against Common Core, and State Rep. Bryan Spencer will address these questions and yours. Please join us and invite a friend.

**We have a lot to do on this road back to local control in our public schools. If we work together, we can make a difference for generations to come.**

*Women, men and teens are all encouraged to attend.*
