

First Things First

“As the State Director for CWA of Hawaii, I understand that prayer must be our number one priority. We must be willing to spend time on our knees before running out the door. So often we can get caught up in the many issues that come before the state legislature. This is why CWA of Hawaii’s Encourage-A-Legislator Program must stay a priority.

Please join us as we keep first things first!”

A Call to Prayer

“I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness.” I Timothy 2:1-2

I Timothy 2:1-2 instructs us to pray for our leaders. The Encourage-A-Legislator (EAL) program offers our members and friends the vehicle to do just that in an easy and meaningful way.

By participating in CWA of Hawaii’s EAL program, CWA members and friends are fulfilling the Biblical command of praying for our leaders in I Timothy 2:1-2 and living out the command to love one another, as well as being a good citizen. Please join us.

The Program

The goal of the EAL program is to encourage each member of the State House and Senate, as well as state-wide office holders, by praying for them on a regular basis and sending them a postcard every week throughout the legislative session, January to late April (6 weeks session in odd years and 8 week session in even years). The General Assembly convenes the third Wednesday in January. Our goal is to cover all those “in authority” in Hawaii, 51 House members, 25 Senate members, and three state-wide office holders.

The EAL program is never used to lobby and, therefore, is never confrontational. It is simply a great way to lift up those in authority and encourage them in their responsibilities. Many good relationships have started through the EAL program.

We provide the name and address of the assigned legislator(s) and the post cards, and you commit to praying for your individual(s) every Monday morning the Hawaii General Assembly is in session and then mail an EAL postcard on that day.
