## Encourage-A-Legislator Campaign

We are looking for women and men who are willing to “adopt” a legislator during the 39-day South Dakota legislative session beginning mid-January.

*It could not be easier!*

Simply send your legislator a weekly postcard provided by Concerned Women for America of South Dakota with a pre-printed Scripture verse or inspirational quote. Express appreciation for the legislator’s service and note your prayers for him, sign and mail your card.

We live in challenging times. I’m sure you’ll agree that much fervent prayer is needed to restrain the enemy’s assault on our culture. Legislators are blessed knowing that someone is praying for them as they make crucial decisions for our state. And you are blessed and energized to be a part of this effort.

“I urge, then, first of all, that requests, prayers, intercession and thanksgiving be made for everyone--for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness.” I Timothy 2:1
