

“For unto us a Child is born, Unto us a Son is given; And the government will be upon His shoulder... Of the increase of His government and peace there will be no end...” ~Isaiah 9:6

Dear CWA friends and supporters,

We work and pray diligently so we may influence our communities, our state, and our nation toward the righteousness and goodness for which our hearts yearn. But one day, Jesus will assert Himself over the world as the King He is, and all we have prayed and worked for will finally come because He reigns. How we long for that day!

In the meantime, we endeavor to be about our Father's business.

We are sure you have had a busy year, and it flew by way too fast. We hit the ground running in January with the Sanctity of Life month, and it just didn't stop! California offers no shortage of things about which we are concerned.

Because of you, this year CWA of California was able to take a stand for the unborn and against Planned Parenthood, for the privacy of Californians in restrooms, for crisis pregnancy centers, against the assisted suicide bill, for and against different sex education bills, and much more. We were able to appear on the Kim Ketola Cradle My Heart Radio Program, Jim Wilson's Pray North State Radio, in front of the El Centro Regional Medical Center Hospital board in opposition to the opening of a local Planned Parenthood facility and more.

We are so thankful for you. Thank you for making calls and writing letters. But most of all, thank you for your prayers for us, for our state, and for our nation. “The fervent prayer of a righteous man availeth much.” ~James 5:16

Please continue to pray for us.
