Dear CWA of Washington Friend,

Concerned Women for America of Washington sends you Christmas greetings and blessings for happiness and peace. As we contemplate the coming season, we are so grateful that so many like-minded people join us in the celebration of the greatest gift of all, Jesus Christ, who took all our sins upon Himself, so that we are able to walk in faith in Him, knowing He will never forsake us. The Holy Infant in the crèche reminds us of why we strive to represent God's plan for His creation: our families and their futures in particular, but also our religious heritage and the inalienable rights endowed by our Creator and entrenched in our founding documents.

I would like to share some comments from your state leadership about CWA's impact:

"I appreciate that the organization speaks to some issues as only women can. I appreciate the organizational commitment to prayer and action – in that order. I appreciate the intimacy in prayer with others in a group of spirit-filled women who take seriously the command to pray for those in authority."

"I appreciate the monthly newsletter from National, the letters that come from D.C. leadership and your monthly letter, the monthly prayer meetings, the occasional trips to Olympia, and your leadership in the state."

"I appreciate how CWA keeps us up to date on local and state needs for prayer. E-mails make it easier to take timely action. I appreciate how CWA has gotten the young voters involved. "

"CWA has given me the opportunity to grow in my faith and provides an outlet that lets me and encourages me to participate in the greatest government established by God (other than His own). CWA organizes the issues so that I don't have to. There is so much wrong in our culture, nation and world right now; I know I can trust CWA to lead me to where it's important to pray and act. I wish I could do more."

We are so very grateful for your prayers, actions and financial support throughout the year in response to our requests. Go to our [website](#) to view the year's many activities. Will you consider partnering with us again in 2016 by blessing CWA of Washington with a tax-deductible gift that will remain in Washington to help our local activities? Donations may be mailed to the address below or click [here](#) to donate online. Also, consider joining the Encourage-A-Legislator (EAL) campaign so that our elected officials are covered in prayer. Click [here](#) for more information and to sign up. You are the key to EAL's success!

Our prayers in the New Year are that God's wisdom will rule and that the Name of the Lord will be praised by the Church Body and all who serve the people of this state and our nation. May you and your family have a Blessed Christmas and a Healthy, Happy and Peaceful New Year!

In His Service,

Maureen Richardson
