Embrace Your Calling

Concerned Women for America of Georgia's Feisty & Feminine workshop will show you how to embrace your God-given femininity, intertwined with a little feisty, to deliver a message of truth and redemption.

Christian conservative women are positioned to make a difference in our nation. God has gifted each of us with unique talents, ideas, and passions, and it is our duty to deliver a message that combats the destructive message of the extreme feminist agenda.

This workshop is a rallying call for conservative women.

We have been called for such a time as this. As conservative women, we must know our message; we must learn the issues and share our beliefs. Join us as together we learn to be an Esther in today's culture.

Make plans now to attend. Bring your friends, your mother, your sisters and your daughters.

Please register by August 23. Register at: cwageorgia.ticketspice.com/ff-gwinnett
