

Concerned Women for America of Missouri's Constitution Day Project 2017

Please help us celebrate Constitution Day by participating in the Constitution Day Project 2017.

CWA of Missouri has made it a tradition to celebrate Constitution Day each year. We express thankfulness for the republic that was established by that document. We present a gift to the members of the Missouri General Assembly, our statewide office holders and the Missouri members of Congress. The gift will help them understand and remember the importance of the U.S. Constitution and the freedom that it protects.

This year we will be presenting the book *God's Promises for the American Patriot*, a pocket sized copy of the *U.S. Constitution* and the "28 Principles of Liberty" card to each member of the Missouri General Assembly.

God's Promises for the American Patriot will help the reader understand what God has done for America and who we are as a nation. It combines historical facts about our forefathers with promises from God's Word, giving a powerful look at the importance of Biblical values and how they affect the fabric of our constitution. It's both inspiring and educational.

Please support this project and the work of CWA of Missouri by donating a gift of \$10 or more. We will present the gift to your member of the Missouri General assembly with a note regarding your sponsorship. **Please send in your sponsorship by Friday, September 8.** We will be delivering to the State Capitol on Wednesday, September 13. Please make check payable to "Concerned Women for America" and put "CWA of MO" on the memo line. Send to CWA of Missouri at P.O. Box 1352, St. Peters, MO 63376.
