

THE BDS THREAT TO ISRAEL

Sunday,
November 5

1:30 - 3:00 p.m.
The Pillar Foundation
15820 Clayton Road
Ellisville, MO 63011

The Boycott, Divestment, and Sanction (BDS) Movement is a weapon being used in a political and ideological war that is underway in the United Nations, on college campuses, and in the media, with the goal of isolating, stigmatizing, and ultimately eliminating the state of Israel.

The predominant goal of the BDS campaign and its leadership is not criticism of policies, but the demonization and delegitimization of Israel. The BDS movement promotes a biased and simplistic approach to the complex Israeli-Palestinian conflict. It presents this dispute over territorial and nationalist claims as the fault of only one party – Israel. The BDS campaign does not support Israeli-Palestinian peace efforts, and it rejects a two-state solution to the conflict.

Charles Pulman will give an informative presentation on the BDS Campaign against Israel. He is a partner in the Dallas law firm Meadows, Collier, Reed, Cousins, Crouch, and Ungerman, LLP.

Pulman has made several trips to Israel and has met with Israeli government officials, journalists, and academicians, and a major topic of discussion was anti-Semitism and the growing delegitimization campaign against Israel.

He has worked closely with Texas Rep. Phil King (R-District 61) and other Texas state officeholders on anti-BDS legislation that was signed by Gov. Abbott on May 2, 2017.

Pulman is a frequent lecturer and has written many articles on the conflict between Israel and the Arabs/Palestinians, his trips to Israel, the relationship and bond between Diaspora Jewry and Israel, anti-Semitism, and Israel advocacy.

Women, men, and teens are all welcome and encouraged to attend!
