

First Things First

“As the State Director for CWA of Maine, I understand that prayer must be our number one priority. We must be willing to spend time on our knees before running out the door. So often we can get caught up in the many issues that come before the state legislature. This is why CWA of Maine’s Encourage-A-Legislator Program must stay a priority. Please join us as we keep first things first!”

Penny Morrell
State Director

“I am honored to oversee this program. Since its inception in Maine in 2009, we have received wonderful feedback from both legislators and encouragers alike. Now more than ever our leaders need our prayers and encouragement.”

The Mission of Concerned Women for America of Maine

“You are the light of the world. A city on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house.” (Matthew 5:14-15) The mission of Concerned Women for America of Maine is to shine forth God’s light on public policy. For too long, we have “hidden” our light from school boards, city halls, and the Capitol, or we have delegated that work to some group. Our representative form of government requires each of us to speak out and shine our lights. Concerned Women for America of Maine is here to educate you on the issues, encourage prayer, and help direct action to promote Biblical public policy. Your mission begins here!

A Call to Prayer

“I urge, then, first of all, that petitions, prayers, intercession and

thanksgiving be made for all people for kings and all those in authority, that we may live peaceful and quiet lives in all

godliness and holiness.” I Timothy 2:1-2

I Timothy 2:1-2 instructs us to pray for our leaders. The Encourage-A-Legislator (EAL) program offers our members and friends the vehicle to do just that in an easy and meaningful way.

By participating in CWA of Maine’s EAL program, CWA members and friends are fulfilling the Biblical command of praying for our leaders and living out the command to love one another,

as well as being good citizens. Please join us.

The Program

The goal of the EAL program is to encourage each member of the State House and Senate, as well as state-wide office holders, by praying for them on a regular basis and sending them a postcard once a month throughout the legislative session, January to June. Our goal is to cover 153 House members and 35 Senate members.

The EAL program is never used to lobby and, therefore, is never confrontational. It is simply a great way to lift up those in authority and encourage them in their responsibilities. Many good relationships have started through the EAL program.

We provide the name and address of the assigned legislator(s) and the post cards, and you commit to praying for your individual(s) every morning the Maine Legislature is in session and then mail an EAL postcard once a month.

Answer the Call

Sign up today to be an encourager; it couldn’t be easier!
