Women, men, and  
teens are all welcome  
and encouraged  
to attend.  
A freewill offering will  
be taken to help  
offset the cost of the  
breakfast and to help  
fund our advocacy.

**Ben Larrabee**, Senior Field Representative of Turning Point USA and a Millennial, will escape the liberal paradise of Austin to show us how to connect with his peers. We must be prepared to help them understand what made our nation the greatest on earth and listen to them as they share their own ideas and concerns about the future.

If we have any hope of seeing our seven core issues become part of the mainstream, we must carefully educate the next generation of voters on why they are important to the survival of our nation. Ben will offer specific ways to engage these young people and win their minds and hearts.
