

Open Letter to Sen. Johnny Isakson and Sen. David Perdue
Support For Judge Brett Kavanaugh

September 12, 2018

On behalf of the members of Concerned Women for America (CWA) of Georgia, I would like to thank you for your early support of the nomination of Judge Brett Kavanaugh to serve on the Supreme Court of the United States. We applaud this decision and are grateful for your support.

Brett Kavanaugh's experience and qualifications for the U.S. Supreme Court are second to none. Over his career, Judge Kavanaugh has developed a consistent record of fidelity to the Constitution that cannot be denied, writing more than 300 opinions that stand as a model of proper constitutional interpretation.

Two of CWA's core issues are the protection of life and religious freedom. On the issue of life, Judge Kavanaugh's dissent in *Priests for Life v. HHS* is powerful. Judge Kavanaugh argued that the HHS contraception mandate imposed a substantial burden on religious organizations and was also not the least restrictive means to achieve the government's stated purpose. His position was adopted by the Supreme Court in *Zubik v. Burwell*.

CWA also recognizes Judge Kavanaugh's strong record protecting religious liberty. This issue is equally important to our organization both at the federal and state level. As you are aware, CWA of Georgia and other organizations have worked tirelessly over the past four years to pass modest religious liberty legislation in the state. We are very committed to protecting our First Amendment rights and believe Judge Kavanaugh to be the best suited to protect those rights.

CWA of Georgia again thanks you for your support of the confirmation of Brett Kavanaugh. We respectfully request that you encourage fellow senators to also support the confirmation of the Kavanaugh.

Concerned Women for America is the nation's largest public policy women's organization with more than 500,000 participants across the country, over 450 Prayer/Action Chapters and Home Teams, 40 Young Women for America Chapters and nearly 40 years of service to our nation.

Sincerely,
