

## ***Come Pray with Concerned Women for America of Missouri!***

**Monday, October 8**

Planned Parenthood, 4251 Forest Park Ave., St. Louis

### ***40 Days for Life***

is a nationwide grass-roots event encouraging local communities to draw attention to the realities of abortion, during a 40-day period, through the use of a three-point program:

- ***Prayer and Fasting***
- ***Peaceful and Prayerful Vigil***
- ***Community Outreach***

### ***Peaceful & Prayerful Vigil***

focuses on a prayerful presence at the abortion clinic. The ministry of our Peaceful Vigil is so easy that anyone can do it. People from all over the St. Louis area stand and pray in silence or with devotionals, read Scripture, and simply cover the entire clinic and all those inside with prayer.

### ***Does It Work?***

In a word: YES!! Because of the prayer presence in front of the abortion facility, God has moved in powerful and tangible ways:

- More than 1,950 turnarounds since 2011
- Over 140 churches and organizations united
- More than 5,000 people of different faiths and backgrounds joined in prayer.

### ***Community Outreach***

Spread the word about available, loving and supportive alternatives to abortion through various planned community events.

**This fall's campaign goes from  
September 26 – November 4.**

### ***Adopt-a-Day Shift***

is a program for churches and/or organizations that feel God is calling them to a day of prayer at our vigil location at Planned Parenthood. Each church or organization commits to "staffing" a specific date with at least two prayer volunteers per hour from 7:00 a.m. to 7:00 p.m.
