

A Message From Concerned Women for America of North Dakota

★ Pray.

As a Christian organization, we are first and foremost committed to prayer. As November 6 approaches, will you join us in praying for our state and nation? Please join us by setting a time daily to pray for this next election. Will you do that? Set an alarm on your phone, your computer, put a sticky note on your mirror, whatever works.

★ Encourage.

The institution of government was ordained by God (Romans 13:1-4). It is our duty, as citizens and as Christians, to participate in the process by both praying and voting.

As a Christian organization, we are committed to encouraging others to vote. Will you join us in this? Encourage friends and family through Facebook, twitter, email, etc.

★ Vote.

We are at a breaking point in history where the rule of law and civil discourse are being threaten by some politicians and radical activists who insist on getting their way, no matter what. Some are inciting that violence be directed at those with whom they disagree.

Vote November 6.

Mob Rule or Rule of Law?

Voted NO on Justice Kavanaugh:

Sen. Heidi Heitkamp (D-North Dakota), “After doing my due diligence and now that the record is apparently closed, I will vote against his confirmation.”

Supported Justice Kavanaugh:

Rep. Kevin Cramer (R-North Dakota), “The Supreme Court now has an eminently qualified and constitutionally-minded addition to its bench. North Dakota and our country as a whole will benefit greatly from this confirmation.”

Did you know . . . in **North Dakota**, any resident may apply for absentee ballot and vote by mail if they cannot get to the polls on Election Day? Early voting is also available, but start and end times vary by county. For more information go to vip.sos.nd.gov/Portallist.aspx.

It is up to you and me to stand up to this mob mentality by praying against these malicious tactics and voting
November 6.

These simple steps can have a significant impact on our nation's future.
