

A Message From Concerned Women for America of Missouri

★ Pray.

As a Christian organization, we are first and foremost committed to prayer. As November 6 approaches, will you join us in praying for our state and nation? Please join us by setting a time daily to pray for this next election. Will you do that? Set an alarm on your phone, your computer, put a sticky note on your mirror, whatever works.

★ Encourage.

The institution of government was ordained by God (Romans 13:1-4). It is our duty, as citizens and as Christians, to participate in the process by both praying and voting.

As a Christian organization, we are committed to encouraging others to vote. Will you join us in this? Encourage friends and family through Facebook, twitter, email, etc.

★ Vote.

We are at a breaking point in history where the rule of law and civil discourse are being threaten by some politicians and radical activists who insist on getting their way, no matter what. Some are inciting that violence be directed at those with whom they disagree.

Vote November 6.

Mob Rule or Rule of Law?

Voted NO on Justice Kavanaugh:
Claire McCaskill (D-Missouri), “I will vote NO on Judge Kavanaugh.”

Supported Justice Kavanaugh:
Josh Hawley (R-Missouri), “These were deliberate maneuvers ... to exploit Dr. Ford and ultimately block Judge Kavanaugh’s confirmation process. All of this for political gain and at the price of smearing Judge Kavanaugh.”

Did you know . . . In **Missouri**, you can vote by absentee ballot in person starting 42 days before and ending one day prior to Election Day with a valid excuse. Absentee ballots by mail are due seven days before Election Day. For information visit sos.mo.gov/elections.

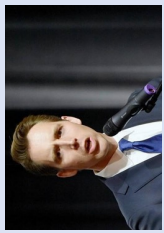

It is up to you and me to stand up to this mob mentality by praying against these malicious tactics and voting this November.

These simple steps can have a significant impact on our nation’s future.
