## Encourage-A-Legislator Program

We are looking for women and men who are willing to "encourage" a state legislator by praying for them on a regular basis and sending them a postcard every week during the State Legislative session.

Now more than ever, whether they are conservative or liberal, our legislators need our prayers and encouragement.

**Being a part of this program could not be easier!**

All you have to do is pray for your assigned legislator daily during the legislative session beginning in January and write an encouraging note to him/her monthly for six months in 2019 and four months in 2020. We provide the pre-printed postcards, you simply write a short word of encouragement, place a stamp on the postcard, and place it in the mail.

Contact us today to be a part of this exciting program!
