Dear Senators,

On behalf of the hundreds of thousands of members of Concerned Women for America Legislative Action Committee (CWALAC), we want to thank you for being an original co-sponsor of the Debbie Smith Reauthorization Act of 2019.

This program is of vital importance for victims of sexual assault, and we commend you for your leadership. As you know, CWALAC wanted to see an increase in the prioritization of the testing of sexual assault kits and in the reporting and accountability standards for this program on this reauthorization. We are grateful to see these areas have been strengthened, and we are proud to give you our full support.

CWALAC leaders around the country are working tirelessly to make sure no victim ever falls through the cracks again. Your efforts today will go a long way in that fight. Thank you.

Sincerely,

Penny Nance,
CEO & President
