AGENDA – Grinding America Down became one of the best-selling independent documentaries of all time. Grassroots America finally had a tool to connect the dots. When former Idaho legislator, Curtis Bowers, wrote a "letter to the editor" about the drastic changes in America's culture, it became the feature story on the evening news, people protested at the State Capitol, and for weeks the local newspapers were filled with responses. He realized then ... he'd hit on something. Ask almost anyone and you'll hear, "Communism is dead! The Berlin Wall came down." Thought the word communism isn't used anymore? This film will show the ideas behind communism are alive and well. Join Bowers for a fascinating look at the people and groups that have successfully targeted America's morality and freedom in their effort to grind America down. It's a well documented *Agenda*.

AGENDA 2 - Masters of Deceit traces the pervading influence of the communist worldview in almost every sector of life in America. It exposes the *Masters of Deceit* and their purposeful, premeditated, treasonous attacks on our freedom.
