

# FEISTY & *Feminine*

PENNY YOUNG NANCE  
CEO and President of Concerned Women for America

A RALLYING CALL FOR CONSERVATIVE WOMEN

Concerned Women for America (CWA) is the nation's largest public policy women's organization with a rich history of over 40 years of helping our members across the country bring Biblical principles into all levels of public policy. There's a cultural battle raging across this country and CWA is on the front line protecting those values through prayer and action.

CWA focuses on seven core issues: the family, the sanctity of human life, religious liberty, education, sexual exploitation, national sovereignty, and support for Israel.
