## **CWALAC Endorses Darrell Issa for U.S. House of Representatives for the 50th District of California**

Washington, D.C. -- [Concerned Women for America Legislative Action Committee](#) (CWALAC), the nation's largest public policy women's organization, has endorsed [Darrell Issa](#) for U.S. House of Representatives for the 50th District of California.

[Penny Nance](#), CEO and President of CWALAC, said:

"The 2020 election will be a defining moment in American history at the pinnacle of intense political division. The choice before voters is clear: support the bedrock freedoms of our Constitution and conservative values that make America great or threaten our future with a bankrupt leftist agenda that undermines religious freedom, denies life, erases female dignity, and embraces government socialism that will lead to economic and social collapse.

"Conservative women will not concede the fundamental values that strengthen families and promote individual flourishing to a culturally-bankrupt agenda. That is why Concerned Women for America Legislative Action Committee is proud today to endorse Darrell Issa for U.S. House of Representatives for the 50th District of California.

"Darrell Issa has been a champion of conservative principles in the House, and we need him back. His pro-family values and leadership in protecting life, religious freedom, and the dignity of women stands in stark contrast to those who turn their backs on the truth. We are in a cultural moment that requires backbone, not concession.

"Our members are honored to stand with Darrell Issa in this election, confident that he will stand up for conservative values and American families with courage and integrity."
