CWALAC Endorses Beth Parlato for U.S. House of Representatives for the 27th District of New York

Washington, D.C. -- [Concerned Women for America Legislative Action Committee](#) (CWALAC), the nation's largest public policy women's organization, has endorsed [Beth Parlato](#) for U.S. House of Representatives for the 27th District of New York.

[Penny Nance](#), CEO and President of CWALAC, said:

"The 2020 election will be a defining moment in American history at the pinnacle of intense political division. The choice before voters is clear: support the bedrock freedoms of our Constitution and conservative values that make America great or threaten our future with a bankrupt leftist agenda that undermines religious freedom, denies life, erases female dignity, and embraces government socialism that will lead to economic and social collapse.

"Conservative women will not concede the fundamental values that strengthen families and promote individual flourishing to the left's destructive agenda. That is why Concerned Women for America Legislative Action Committee is proud today to endorse Beth Parlato for U.S. House of Representatives for the 27th District of New York.

"Beth Parlato brings a wealth of experience as an attorney and judge to the major issues facing our country and will be a strong voice for conservative women in Congress. Beth will tirelessly defend our constitutional rights to life and liberty and fight against a socialist agenda that threatens our economic freedoms.

"Our members are honored to stand with Beth Parlato in this election, confident that she will stand up for conservative values and American families with courage and integrity."
