

CONCERNED  
WOMEN *for* AMERICA  
OF TEXAS

May 14, 2020

The Honorable Ken Paxton  
Office of the Attorney General  
PO Box 12548  
Austin, TX 78711-2548

Dear Attorney General Paxton,

Members of the Concerned Women for America of Texas leadership team met this morning via conference call, and we spoke about the Texas response to the COVID-19 crisis. We have been busy keeping in touch with our Texas leaders, and you can imagine that many of us know people who have been sick, some fatally, and some who are facing hardship, even financial ruin.

In the midst of this, we want to say “thank you” to you! This morning your press release comforted us. We have seen people needlessly hurt during this trying time by over-reaching local orders, and we are relieved to see that you are protecting us from unnecessary restrictions—for whatever reason they were issued. We love our Lord, and we love worshipping with our Christian brothers and sisters “in person” “Not forsaking our own assembling together ... but encouraging one another; and all the more as you see the day drawing near.” (Hebrews 10:25) We can do it in ways respecting and honoring the safety of others. Is there anything more soul-stirring than singing together? In front of the computer, somehow, just isn’t the same! (Angela will agree with this, right?!)

You must know that we pray for you—we are so proud of you as you appear on nightly newscasts! You are right— “The rights of Texans are not negotiable!”

May God make His presence known to you in very real ways!

Ann Hettinger, State Director  
Kori Peterson, East Texas Area Director  
Beverly Roberts, South Texas Area Director
