CWALAC Endorses Tina Ramirez for the U.S. House of Representatives for the 7th District of Virginia

Washington, D.C. -- [Concerned Women for America Legislative Action Committee](#) (CWALAC), the nation's largest public policy women's organization, has endorsed [Tina Ramirez](#) for U.S. House of Representatives for the 7th District of Virginia.

[Penny Nance](#), CEO and President of CWALAC, said:

"The 2020 election will be a defining moment in American history at the pinnacle of intense political division. The choice before voters is clear: support the bedrock freedoms of our Constitution and conservative values that make America great or threaten our future with a bankrupt leftist agenda that undermines religious freedom, denies life, erases female dignity, and embraces government socialism that will lead to economic and social collapse.

"Conservative women will not concede the fundamental values that strengthen families and promote individual flourishing to the left's destructive agenda. That is why Concerned Women for America Legislative Action Committee is proud today to endorse Tina Ramirez for U.S. House of Representatives for the 7th District of Virginia.

"Tina is a champion of the pro-family conservative values that make Virginia and America great. Tina will bring her passion for religious freedom, the dignity of women, and the sanctity of human life to Congress and fight to preserve American sovereignty at home and abroad.

"Our members are honored to stand with Tina Ramirez in this election, confident that she will stand up for conservative values and American families with courage and integrity."
