**Concerned Women for America Legislative Action Committee  
Endorses Bill Eigel for State Senate for District 23**

St. Charles, Missouri — Concerned Women for America Legislative Action Committee (CWALAC) has announced its endorsement of Sen. Bill Eigel in the 2020 State Senate race for the 23rd District.

In making the announcement, CWALAC cited Sen. Eigel's record of standing firm on Concerned Women for America's seven core issues. During his first term, Sen. Eigel consistently sponsored and supported legislation that would uphold the sanctity of life, education reform, parents' rights, limited government, lower taxes, and property rights as well as his opposition to policy that harms families. CWALAC acknowledges that much of his ability to be effective for all Missourians is his understanding of our Founding Fathers' intent when using timeless principles to draft our U.S. Constitution and form our republic. Eigel is truly a constitutional conservative and understands the proper role of civil government.

According to CWALAC, Sen. Bill Eigel knows the importance of strong marriages and families. Sen. Eigel and his wife, Amanda, have two children. They are members of St. Joseph's Catholic Parish in Cottleville, Missouri.

"Sen. Bill Eigel's moral virtue and his basic understanding of the founding documents of our country and the principles on which they are based give him a strong foundation for representing his constituents in Jefferson City," said Bev Ehlen, Missouri State Director for Concerned Women for America. "We are confident that Sen. Eigel will continue to defend and strengthen Missouri families. I am confident in and appreciate his ability to discern the proper role of civil government and his ability to make the right decisions regarding public policy.

"Eigel will continue to defend the God-given rights of both the born and the unborn guaranteed in our Constitution and to work to ensure that future generations get to enjoy the blessings God has poured out on our country. Rather than having government try to run our lives, Sen. Eigel believes each of us should be empowered to enjoy our rights of life, liberty, and the pursuit of happiness.

"Bill Eigel has been an asset to the Missouri State Senate. We believe he will continue to serve and represent the 23rd State Senate District with sincerity, honesty, and integrity," Ehlen concluded. "It is our pleasure to join with others to endorse his candidacy."
