

SHE PRAYS

It is in our DNA

"We, as Concerned Women for America, and believers in Jesus Christ, know that prayer is what we are called to do first and foremost in times of trouble. It is in our DNA. We serve a great and awesome God who hears our prayers. This is not the time for us to cower, it is the time for us to enter the battle and pray. Pray like we have never prayed before." -*Penny Nance, CEO and President of Concerned Women for America*

Scriptural Foundation

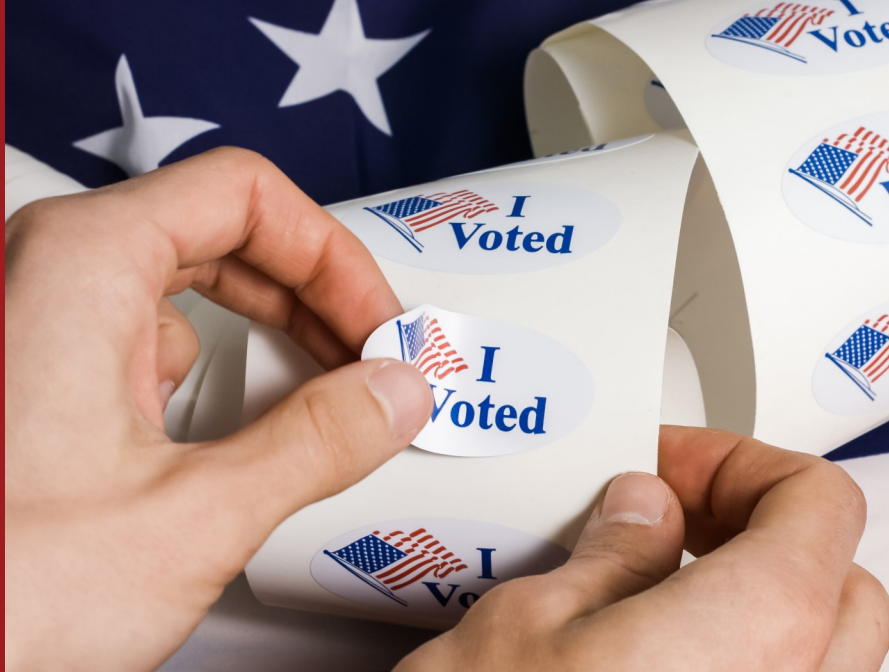

"Do not be afraid of them; remember the Lord who is great and awesome, and fight for your brothers, your sons, your daughters, your wives and your houses." Nehemiah 4:14
