## Liberty and Property

American Colonization and the Founding of a Nation

**Saturday, January 9, 2020 • 9:30 - 11:00 a.m.**  
The Pillar Foundation, 15820 Clayton Road, Ellisville, MO 63011

Author and speaker Dan Ford will recall for us the foundational contribution of Christianity in the historic struggle for constitutional government as well as the cause of religious and civil liberty. He will unfold America's genuine cultural inheritance and to demonstrate by way of facts and artifacts that modern caricatures of our nation's history often prove to be misrepresentations that run counter to a rich, robust, and well-documented past.

He will also cover the rise of Socialism and how it is antithetical to the principles of our nation's founding (including the love of freedom that carried us through the Cold War.)

An avid collector of artifacts and historic documents, Dan Ford delights in using his original source documents to demonstrate the abundant evidence of our Godly cultural inheritance. Dan is the author of the illustrated work, *In the Name of God, Amen*.

Men, women, and teens are welcome and encouraged to attend.
