CWA is the nation's largest public policy women's organization with a rich history of helping members across the country bring Biblical principles into all levels of public policy.

YWA is a project of CWA committed to the values of CWA with an emphasis on high school, college campuses and in communities of young women.

This is an event you won't want to miss!

Please join us as we celebrate several champions for life and the influence that women of all ages can have in the culture around them through prayer and action.

Outstanding Speakers!

State Rep. Beryl Amedee will share the successful journey of her legislation, the Abortion Reversal Pill Information Act, through the 2021 General Session and to the desk of Gov. Edwards. The bill will become law the day after this event on August 1.

Lillian Knight, former Young Women for America (YWA) LSU Campus Director, will share her testimony as an abortion survivor and the impact YWA and CWA have had on her spiritually, personally, and educationally.

Amy Centanni, a mother of three month old twin boys whose lives were saved by the abortion reversal pill.

Anne Fontcuberta, CWA of Louisiana Covington Prayer/Action Chapter Leader, will inform you on how you can have an impact in the great state of Louisiana.

Practical Breakout Session!

Whether you are a high school student, college student, young mom, businesswoman, grandparent, or retired, we will show you how to have an impact.
