## **Democrats' \$3.5 Trillion Budget Reconciliation: The Dirty Laundry**

### **Cradle to Grave Government Intervention**

**A widespread expansion of the nanny state via costly federal government mandates that overrule parents and families in raising and educating our children**

- From a paid leave entitlement that cripples small enterprise and sacrifices worker flexibility and wages, to federally funded and controlled childcare and Pre-K, to monthly income subsidies per child, the government aims to fund our lives with every string attached.

**Social engineering under the guise of equity**

- Includes a \$750 million 5-year grant program for leftist research on paid leave “benefit disparities” based on sexual orientation and gender identity among other categories.

### **Unlimited Avenues for Elective Abortion**

**An end run around every possible state prohibition on elective abortion coverage in healthcare plans**

- Includes a new Medicaid-like program that completely bypasses pro-life protections in the Hyde Amendment.

**Policies aim to provide unlimited funding for abortion on demand**

- Includes a \$10 billion fund for states to pay all out-of-pocket abortion costs and subsidize insurance plans that cover abortion.

### **Monumental Tax and Spend Spree**

- **Highest sustained spending level in American history**
- **Raises taxes on working families and job creators**
- **Drives up prices of goods and utilities and undermines wages**
