LEGISLATIVE ACTION COMMITTEE

[Concerned Women for America Legislative Action Committee](#) identified a series of key Congressional votes for the First Session of the 117th Congress reflecting positions on [CWA's core issues](#) and the values of the hundreds of thousands of citizens we represent across the country. This scorecard serves as a measure of a member's stance on critical national issues including the sanctity of life, religious freedom, election integrity, protections for women, education, illegal drug regulation, and support for Israel. The final cumulative scores provide a clear metric for voters to evaluate their elected officials.

See where your Members of Congress stand on critical issues facing our families, our culture, our freedoms, and our democracy after the first year of the 117th Congress. Listed below are the U.S. House and U.S. Senate members in your state and their overall CWALAC percentage scores from 0 (worst) to 100 (best).
