

CONCERNED WOMEN *for* AMERICA

Young Women for America Eastern Regional Coordinator

About Concerned Women for America

We are the nation's largest public policy women's organization, and we lead a movement dedicated to impacting the culture for Christ through education and public policy.

We work tirelessly for the core issues of the sanctity of life, defense of the family, education, religious liberty, national sovereignty, opposing sexual exploitation, and support for Israel. We know that educated and empowered women are better able to raise healthy, educated, and confident children and that their voices need to be heard for the benefit of society at large.

We're making an impact together.

We exist to promote Biblical values and Constitutional principles through prayer, education, and advocacy.

We believe the women of America have great influence in this world, having a powerful voice in the affairs of this nation and on behalf of women abroad. We love being their voice in Washington and beyond. We believe change starts with each woman ... and we love being her heels on the ground in Washington, D.C., and beyond.

We provide our employees with meaningful opportunities to learn and grow. We especially encourage persons of diverse backgrounds to apply. Read more from our President and CEO, Penny Young Nance, below.
