**National Sovereignty - Elections**

<p><a href="#">HB853</a></p>	<p><b>Voter ID Law</b></p> <p>The premise behind voter ID laws is to ensure that individuals are not misrepresenting themselves when voting and, thus, potentially negating the votes of others. Voter ID laws can also serve to increase public confidence in the election process.</p>	<p>Rep. Jeff Wheeland (R) District 83</p>	<p>Support</p>	<p>Sovereignty: Election Reform</p>	<p>Under this proposal, the forms of ID that will be acceptable are the same as the options that are currently available to first-time voters in PA. They include the following forms of photo and non-photo ID:            Driver’s license or PennDOT non-driver ID card, Photo or non-photo ID card issued by other state agency, Photo or non-photo ID card issued by the U.S. government, Student ID with photo, Employee ID with photo, Armed Forces of the U.S. ID card, Firearm permit, Current utility bill, Current bank statement, Government check</p> <p>If a voter is unable to present a valid photo ID, he or she will be required to present two forms of non-photo ID from among those listed above. This approach strikes a balance between the goal of protecting the integrity of each vote cast and the goal of ensuring that eligible voters possess or can obtain necessary valid ID.</p>	<p>03/10/21            Referred to State Government</p>
