**Concerned Women for America of Colorado
2023 Legislative Priorities**

Sanctity of Life

- Support legislation that protects our state from practices and policies that endanger or debase innocent human life from conception to natural death; oppose the repeal of parental notification; oppose the ability to obtain abortion pills via mail order.
- Support the creation of an easy-to-navigate state-level *life.gov* portal with a zip-code-based list of all public and private resources for unexpected pregnancies.
- Oppose any effort to eliminate restrictions to Medicaid funding for abortions.

Education and Defense of Family

- Support legislation that protects the privacy and safety of students in schools based on biological sex.
- Oppose legislation that promotes comprehensive sex education, race-based, sexual orientation, and radical gender ideology in curricula.
- Support legislation that blocks or removes funding for damaging medical treatment of gender dysphoric youth.
