Protecting Vulnerable Children from Medical Harm and Why We Should Care

Pray for those struggling with gender dysphoria that they will believe the truth about God's design for them and not the lies of Satan.

Pray they can love and celebrate whom God made them to be. Pray Genesis 1: 27 on their behalf: "So God created man in His own image, in the image of God created He him; male and female created He them."

Pray for those who wish to de-transition and have to live with irreversible alterations of their bodies.

Pray the peace of Christ over them. Pray 2 Thessalonians 3:16 on their behalf: "Now may the Lord of peace Himself give you peace at all times and in every way."

Pray for the protection of the hearts and minds of children as they are assaulted daily by the lies of the media, the entertainment industry, and their own school systems.

Pray John 10:10 on their behalf: "The thief comes only to steal and kill and destroy. I came that they may have life and have it abundantly." And, pray the Lord's "wall of fire surround them" as God promises in Zechariah 2:5: "And I will be to her a wall of fire all around, declares the Lord, and I will be the glory in her midst."

Pray against those who seek to do harm to our children: the medical community, whose oath is to heal and not harm; government officials whose policies are detrimental to its citizens; financiers of transitioning surgeries and access to transitioning drugs whose monies destroy the lives of those who are confused.

Pray first for the hearts of those who seek to do harm to be radically changed by the power of Jesus Christ. Pray Hebrews 7:25 on their behalf: "Therefore He is able to save completely those who come to God through Him, because He always lives to intercede for them."

Pray these harmers would understand what the Lord says in Luke 17:2 about harming children: "It would be better for him if a millstone were hung around his neck and he were cast into the sea than that he should cause one of these little ones to sin."

Pray for those like Dr. Cretella who seek to expose the harms of transgenderism. Pray for God Almighty to work miracles and His mighty hand to lead the success of legislative actions, school boards, and advocacy groups working to beat back gender ideology in schools and clinics.

"The Lord's right hand is lifted high; the Lord's right hand has done mighty things!" Psalm 118:16

Pray for each other, other Christians, and pastors to courageously and lovingly speak God's truth about these issues, as well as His design for sexuality, into a confused and needy world.

"Finally, brothers and sisters, rejoice! Strive for full restoration, encourage one another, be of one mind, live in peace. And the God of love and peace will be with you." 2 Corinthians 13:1
