LEGISLATIVE ACTION COMMITTEE

Concerned Women for America of Pennsylvania
2023 Legislative Priorities

Sanctity of Life

- Support legislation that protects our great Commonwealth from practices and policies that endanger or debase innocent human life from conception to natural death, support the Down Syndrome Protection Act and Heartbeat Bill.
- Support Abortion Inducing Drug Risk Protocol legislation.
- Support the creation of an easy-to-navigate state-level *life.gov* portal with a zip-code-based list of all public and private resources for unexpected pregnancies.
- Support Early Human Life Development Education Act.
- Support abortion centers to post results of state health inspections on their websites.
- Oppose funding to family planning providers.

Defense of Family

- Support legislation that blocks or removes funding for damaging medical treatment of gender dysphoric youth.

Education

- Support legislation that promotes parental rights and school choice.
- Support legislation that protects the privacy and safety of students in schools based on biological sex; support legislation that removes obscene materials from Pennsylvania libraries.
- Oppose legislation that promotes comprehensive sex education, race-based and radical gender ideology in curricula.

Sexual Exploitation

- Support legislation for fairness in female sports by ensuring girls' sports is for girls only.

National Sovereignty

- Support measures to ensure the integrity and security of the election process.
