

CONCERNED
WOMEN *for* **AMERICA**
LEGISLATIVE ACTION COMMITTEE

**U.S. House of Representatives
117th Congress Scorecard**

Concerned Women for America Legislative Action Committee identified a series of key votes for the 117th Congress (January 2021 – December 2022) reflecting positions on CWA's core issues and the values of the hundreds of thousands of citizens we represent across the country.

This scorecard serves as a measure of a member's stance on critical national issues, including the sanctity of life, religious freedom, election integrity, protections for women, education, illegal drug regulation, and support for Israel.

The final cumulative scores provide a metric for voters to evaluate their elected officials. In order to capture the full significance of the enactment of the so-called Respect for Marriage Act, which is an existential attack on the institution of marriage, we double-weighted its score and have highlighted in **RED** the legislators who voted for it to become law. Members of the U.S. House of Representatives voted on the better-named Disrespect Act twice. Those Representatives who voted for the Disrespect Act on the first vote but made the positive change to vote against the Disrespect Act for the second vote are highlighted in **PURPLE**.

Additional Notes:

- Rep. Rudy Yakym (R-Indiana) replaced the deceased Rep. Jackie Walorski in November 2022. His score reflects the votes he took for the balance of 2022.
- Rep. Mary Peltola (D-Alaska) replaced the deceased Rep. Don Young in September 2022. Her score reflects the votes she took for the balance of 2022.
- The Speaker of the House is not included in the scorecard, given the nature of the Speaker's role.
