**Concerned Women for America of Colorado**  
**2024 Legislative Priorities**

**Sanctity of Life**

- Support legislation that protects our state from policies that endanger or devalue innocent human life from conception to natural death while opposing the repeal of parental notification and the ability to obtain abortion pills via mail order.
- Support the creation of an easy-to-navigate state-level *life.gov* portal with a zip-code-based list of all public and private resources for unexpected pregnancies.
- Oppose any effort to eliminate restrictions to Medicaid funding for abortions.

**Education**

- Support legislation that protects the privacy and safety of students in schools based on biological sex.
- Support legislation that blocks funding for damaging medical treatment of gender dysphoric youth.
- Oppose legislation that promotes comprehensive sex education, race-based, sexual orientation, and radical gender ideology curricula.

**Defense of Family**

- Support legislation for parental notification and consent for counseling, health care, and gender-affirming therapy before being offered to their children in schools.
- Oppose any legislation that removes parental notification and consent before any therapy, counseling, medication management, and use of health clinics in schools is offered to their children.

**Sexual Exploitation**

- Support legislation that criminalizes perpetrators of sexual exploitation of children and adults.
- Oppose legislation that promotes pornography and age-inappropriate content to children.

**Support for Israel**

- Support resolutions that recognize the State of Israel to exist and condone anti-Semitism in Colorado.
