

BE A POLL WATCHER

ENSURE
ELECTION
INTEGRITY

Poll watchers volunteer their time to ensure that their party has a fair chance of winning an election. Poll watchers closely monitor election administration and may keep track of voter turnout on behalf of a candidate, political party, or proponents or opponents of a ballot measure.

Poll watchers may observe:

- Early voting polling place activities
- Election day polling place activities
- Early voting ballot board meeting activities
- Central counting station
- Voter assistance by an election official
- Inspection and securing of voting equipment
- Delivery of election results
- Canvassing of election results
- Signature verification committee

BE A POLL WORKER

Poll workers are paid citizens who work at a polling place on Election Day. Each county is responsible for recruiting, training, and paying poll workers. Every polling place needs poll workers, so this is a great opportunity for citizen engagement.

Requirements may include:

- Attending training
- Remaining nonpartisan while serving
- Being able to work a 14+ hour day
- Being comfortable with technology
- Serving all voters promptly, courteously, and with sensitivity

Responsibilities and duties may include:

- Setting up the polling place
- Greeting, verifying identification, and determining which ballot to issue
- Assisting voters, answering questions, and updating voter registrations
- Ensuring political activities are outside the polling place and meet legal requirements.
