

2024 Colorado Ballot Initiative 89:

Right to Abortion and Health Insurance Coverage Initiative

“Shall there be a change to the Colorado constitution recognizing the right to abortion, and, in connection therewith, prohibiting the state and local governments from denying, impeding, or discriminating against the exercise of that right, allowing abortion to be a covered service under health insurance plans for Colorado state and local government employees and for enrollees in state and local governmental insurance programs?”

- A “**yes**” vote supports creating a constitutional right to abortion that bans parental notification laws, bans limits on late abortions, and ensures taxpayer-funded abortions for in-state and out-of-state pregnant women.
- A “**no**” vote opposes both creating a right to abortion in the state constitution and the use of public funds for abortion. It continues parental notification and reasonable limits on abortion.

2024 Colorado Legislatively Referred Amendment: Remove Constitutional Same-Sex Marriage Ban Amendment

“Shall there be an amendment to the Colorado constitution removing the ban on same-sex marriage?”

- A “**yes**” vote supports the strike through (removal) of the following text currently in Section 31 of our state constitution: “Only a union of one man and one woman shall be valid or recognized as a marriage in this state.” This will allow same-sex marriage as well as other numerical combinations within the marriage union.
- A “**no**” vote keeps the text and preserves marriage between one man and one woman within the state of Colorado.
